

*Robert Clayton  
2011 Scholarship Application*

The Texas Pharmacy Foundation (TPF) is offering the Robert Clayton Scholarship to a student pursuing a career in pharmacy at an accredited Texas school or college of pharmacy. The amount of the scholarship award depends on the funds available. The 2011 award will be \$1,000.

Robert Clayton was a consultant pharmacist and Certified Diabetes Educator who died in a tragic car accident on his way to an American Pharmacist Association conference. Robert was an active leader in the Texas Pharmacy Association and the then 'Section' of Consultant Pharmacists. The scholarship was originally organized to be awarded annually to encourage students to pursue the ideals exhibited by Robert during his time in our profession.

To be eligible for the Robert Clayton Scholarship, a pharmacy student must be enrolled in an accredited Texas College of Pharmacy and entering their second (P2), third (P3) or fourth (P4) professional years in the Fall 2011 with a minimum GPA of 2.5 on a scale of 4.0 in required courses. In addition, the applicant must be a student member of Texas Pharmacy Association (TPA), show interest in the practice of consultant pharmacy in Long-Term Care, Assisted Living or MHMR facilities, or pharmacy practice involving the treatment of geriatric patients. Applicant should demonstrate interest by listing participation in electives, rotations, internships, employment or volunteer work in any of these areas. Students will be judged on scholarship, need, interest in consultant pharmacy practice, and the potential to become a leader for Texas pharmacy, as demonstrated by involvement in pharmacy school and community activities.
